

JUNIORS PROGRAM

AGES 12 TO 17 YEARS

TRAINING

Juniors train on Tuesday and Thursday at Nakara Oval.

Training starts at 5:30pm and the session finishes at 7pm (1.5hr).

Coaches may choose to run alternative training sessions, and this will be done in consultation with the club and team parents/guardians.

GAMES

Juniors games are schedule by Football NT and are usually played on Sundays.

Games are scheduled between 8:30am until 2pm and times may vary week to week depending on the fixture schedule. Games are competitive, with a strong focus on winning.

Players should expect game time to be determined on a performance basis – equal game time is NOT considered a priority and players should understand this important point.

Scores are recorded, there is a competition ladder, and finals are played.

COACHES

Junior coaches are volunteers doing their best to give everyone the best possible football experience, with a responsibility to ensure the best possible chance at winning. They're not perfect, but they're trying!

The club supports its coaches to adopt a philosophy that strives to ensure team success within the spirit of the sport and competition – but not at all costs!

Got an issue? Contact club administration – admin@azzurriunitedfc.com.au.

TEAM MANAGERS

Each team requires a team manager and we encourage parents to volunteer and take on this important, but minimal effort role.

The team manager's role is to liaise with club administration in relation to team matters, and to ensure team members (players and parents/guardians) are kept informed of team related matters.

CODES OF CONDUCT

All club officials, coaches, team managers, players, referees, and parents are subject to the club's and the Football NT codes of conduct. These are available from our website <http://www.azzurriunitedfc.com.au>.

PARENTS & GUARDIANS

We suggest parents/guardians attend training sessions and games to support their child's participation although this is not mandatory.
